Plaintiff, MICHAEL S. REYNOLDS pursuant to the provisions of Rule 4(c) of the Federal Rules of Civil Procedure and Rules 19.2 and 19.3 of the Local Rules of Practice of the United States District Court for the Northern District of California, request that ABCLEGAL SERVICES, a registered process server, who is at least 18 years of age, of suitable discretion and not a party to the within action, be authorized and appointed to serve the writs in the above case. The U.S. Marshals Office will remain the Levying Officer. The Court denied the initial request for service of process because Plaintiff cited to local rules which do not exist. The Order was without prejudice to a request with citation to proper authority. Plaintiff refiled the same proposed order with the same improper citations. ~~IT IS SO ORDERED.~~

According, the Court again denies the request without prejudice to refile upon the citation of proper authority supporting Plaintiff's request.
